michaelcoughlin.net

Stello

GRACIOUS TECH

Secure newsletter software. Hundreds of missionaries from dozens of mission organisations rely on Stello to stay in touch with their supporters, without compromising their privacy.

stello.news

Paper Bible

GRACIOUS TECH

Tool for printing Scripture. Print any portion of Scripture, either at home or professionally, in any language, with many options for customising the content and appearance.

paper.bible

fetch(bible)

GRACIOUS TECH

Bible translations platform. A software platform that provides access to every free Bible translation in the world, so they can be integrated into other apps.

fetch.bible

Track Bible

GRACIOUS TECH

Bible reading app. A simple app for encouraging believers to read all of Scripture, by ticking off chapters individually as they are read.

track.bible

Freely Giving

GRACIOUS TECH

Platform for free resources. A place to learn about freely giving, browse free resources, and get guidance on how to publish them.

freely.giving

Let's copy, church

GRACIOUS TECH

Advocacy against copyright. Provides information on the importance of freeing ministry resources from copyright, and instructions on how to do so.

copy.church

Understanding Scripture

GRACIOUS TECH

Trainings in exegesis and theology. A set of courses for training groups how to faithfully interpret Scripture, that is free to customise and translate.

training.freely.giving

The logo for Sermon Index, featuring the word "sermon" in a dark brown font and "index" in a lighter brown font, both in a sans-serif typeface.

Sermon Index

Founded in 2002. Access over 100,000 sermon resources from classic preachers like A. W. Tozer, Leonard Ravenhill, C. H. Spurgeon, etc.

sermonindex.net

Churchit

MEICHTHYS

Churchit is a church management app that keeps membership records, giving, communications, missions, and an auto-updated website and user portal. Self-host to retain full ownership and control of your church data. The app is developed as a ministry for ministries—we will never collect or solicit payment for this app.

churchit.app

Betheden Ministries

Equipping the global Church with biblical languages and supporting Bible translation around the world.

freehebrew.online

BAPTISTHYMNAL.ORG

Baptist Hymnal

The goal of BaptistHymnal.org is simple: to provide public-domain hymns and psalms for use in Jesus Christ's churches and believers' homes.

baptisthymnal.org

Reformed Wiki

The community-edited wiki for Reformed Christianity!

reformedwiki.org
